

## 2018 Northern Border Regional Commission Grant Awards July 25, 2018

### New York:

#### NBRC18GNY01

- Town of Herkimer (Herkimer County)
- Amount of Award: \$500,000 – Total Project: \$2,200,000
- Contact: Jeffrey Trzeciak, 315-866-8104 [supervisor@townofherkimer.org](mailto:supervisor@townofherkimer.org)
- Project Description: The Town of Herkimer will extend 10,700 linear feet of sanitary sewer line to both a 46 acre commercially zoned campus with 430,000 square foot warehouse, distribution, manufacturing facility, and to an Assisted Living Complex increasing capacity allowing business development, job retention, and job creation in the Town of Herkimer. Two existing businesses have expressed interest in expanding once the new infrastructure is in place. The Town estimates that the project will create over 200 local jobs
- Congressional District: New York - 22

#### NBRC18GNY02

- Adirondack North Country Association (ANCA) (Multi-County, NY)
- Amount of Award: \$248,364 – Total Project: \$373,130
- Contact: Jacob Vennie-Vollrath, 518-891-6200 [jvennie-vollrath@adironack.org](mailto:jvennie-vollrath@adironack.org)
- Project Description: The Adirondack North Country Association has requested funds to establish a regional network of public, private and nonprofit partners in Clinton, Essex, Franklin, Hamilton, Jefferson, Lewis, St. Lawrence County to create the Adirondack North Country Center for Businesses in Transition. The Center will provide the soft infrastructure to supply matchmaking, resources and services for transferring ownership to help the more than ten thousand businesses in the North Country currently owned by Baby Boomers looking to retire over the next several years. The Center is hoping to reach over 4,800 businesses and retain approximately 1,440 jobs.
- Congressional District: New York - 21

#### NBRC18GNY03

- Town of Volney (Oswego County, NY)
- Amount of Award: \$500,000 – Total Project: \$2,500,000.
- Contact: David Turner, 315-349-8260 [David.turner@oswegocounty.org](mailto:David.turner@oswegocounty.org)
- Project Description: The Town of Volney will build a new 2-mile sewer line to serve 70 +/- homes and businesses, the airport and an adjacent industrial park supporting new jobs and future growth. The Town and the County feel that insufficient sanitary sewer service is a limiting factor in the growth around the airport and their ability to attract new investment and jobs. The new line will allow for growth at the County airport, enhance an adjacent industrial park that has public water but no sewer service.
- Congressional District: New York - 24

#### NBRC18GNY04

- Jefferson Community College, (Lewis County, NY)
- Amount of Award: \$250,000 – Total Project: \$4,250,000
- Contact: Terrence Harris, 315-786-2238 [tharris@sunyjefferson.edu](mailto:tharris@sunyjefferson.edu)
- Project Description: Jefferson Community College (JCC), in partnership with Lewis County will support workforce training through the creation of the Lewis County Education Center. Lewis County is constructing the 22,000-sq. ft. Lewis County Education Center on a 56 acres property. The Center will include six smart classrooms, a conference room, three office areas, and a fabrication lab. The workforce education provided by JCC will focus on advanced agriculture and value-added farming. Funding will assist with equipping the Center for advanced agriculture, entrepreneurship, and

food safety courses. It is expected that 300 participants will receive training within the first four years of operation.

- Congressional District: New York - 21

#### NBRC18GNY05

- Town of Inlet (Hamilton County, NY)
- Amount of Award: \$352,000 – Total Project: \$448,400
- Contact: Anne Lee, 315-251-1314 [supervisor@inletny.com](mailto:supervisor@inletny.com)
- Project Description: The Town of Inlet has requested funds to construct a communications tower eliminating portions of the Town, as well as nearby Towns of Raquette Lake, Eagle Bay, and Big Moose, that do not have cell service (including neighboring areas) and improving service quality for all local businesses, residents, and tourists. Without the ability to be connected, local businesses and workforce cannot compete effectively, and entrepreneurs are reluctant to invest in Inlet because of the inability to connect with their target audience, create a social media presence or build a following, and for the inability to offer these services to guests and patrons.
- Congressional District: New York - 21

#### NBRC18GNY06

- Town of Crown Point (Essex County)
- Amount of Award: \$500,000 – Total Project: \$4,829,509
- Contact: Gregory Swart, 518-561-1598 [gregoryswart@aesnortheast.com](mailto:gregoryswart@aesnortheast.com)
- Project Description: The Town of Crown Point will relocate their Sewer District Number 1 collection and wastewater treatment system for Sewer District 1. The new facility will provide a system that is appropriately sized for current and future needs and will bring the Town's facility into compliance with the existing permit and modified permit.
- Congressional District: NY-21

#### NBRC18GNY07

- City of Rome (Oneida County, NY)
- Amount of Award: \$400,000 – Total Project: \$1,230,121
- Contact: Joseph Guiliano, 315-339-7627 [jguiliano@romecitygov.com](mailto:jguiliano@romecitygov.com)
- Project Description: The City of Rome is requesting funds to rehabilitate a shared railroad-highway bridge over the Mohawk River to maintain 286,000-lb railcar access to industries located in the City, improve safety for highway traffic, and eliminate recurring structural and safety flags on the bridge. The bridge also carries a 12" water main owned by the City of Rome and a private 8" gas main. The utilities provide critical connections for the existing industrial and commercial users along the corridor. The benefits of the project are provided by the continued business activity of rail shippers and the diversion of truck traffic from highways by provision of safe, reliable, and efficient rail transportation alternatives
- Congressional District: NY-21

#### NBRC18GNY08

- State University of New York (SUNY) at Canton (Lawrence County, NY)
- Amount of Request: \$111,326 – Project Total: \$312,500
- Contact: Lenore VanderZee, 313-867-7109 [vanderzeel@canton.edu](mailto:vanderzeel@canton.edu)
- Project Description: SUNY Canton proposes to purchase and renovate the vacant former Jubilee Grocery Store in downtown Canton, NY and create an Entrepreneurship Accelerator, which will provide entrepreneurs from the campus and the broader community with resources, mentoring, and space to start their own businesses.
- Congressional District: NY-21

Total Northern Border Regional Commission – New York Projects: \$2,861,690

Total NY Infrastructure Projects: \$2,252,000 – 79%
