

State of New Hampshire

2022 NBRC State Economic & Infrastructure Development Investment Program

Awarded to:	Cottage Hospital
Project:	Replacement of sewer line inside and outside of the facility. The investment will allow continued expansion of this rural critical access hospital and build in long term financial stability.
Location of Project:	Grafton County (NH-02)
Grant Amount:	\$1,000,000
Total Project Amount:	\$2,247,620
Awarded to:	Nansen Ski Club
Project:	Installation of an on-site snow-making system and an exterior staircase. This investment represents the final step of the revitalization of this historic, completion-level ski jump. This will enable high level events to be scheduled brining competitors and fans to the area.
Location of Project:	Coös County (NH-02)
Grant Amount:	\$350,000
Total Project Amount:	\$437,500
Awarded to:	Mountain Top Music Center
Project:	Investment in Majestic Theatre and Café in Conway with equipment and site improvements including a sound system and stage lighting.
Location of Project:	Carroll County (NH-01)
Grant Amount:	\$125,000
Total Project Amount:	\$250,000
Awarded to:	Waumbec Methna Snowmobile Club
Project:	Purchase of a trail groomer and Mogul Master Drag to improve grooming operations and associated economic/tourism benefits of approximately 100+ miles of snowmobile trails in the Jefferson area.
Location of Project:	Coös County (NH-02)
Grant Amount:	\$240,360
Total Project Amount:	\$305,257

Awarded to: City of Laconia
Project: Extension of the existing multi-use WOW bike trail in Laconia, which is a portion of the "Opechee Loop". The WOW trail connects Laconia and Weirs along a scenic route, allowing a connection that avoids growing vehicle traffic on the road.
Location of Project: Belknap County (NH-01)
Grant Amount: \$225,000
Total Project Amount: \$450,000

Awarded to: Town of Gorham
Project: New trail hub within walking distance of the downtown commercial district, featuring a natural viewshed, canoe/kayak launch, information and interactive kiosks, bike racks bike repair station, and ADA-compliant restrooms. This investment takes advantage of a rapidly development trail network for ATV use, hiking along the Appalachian Trail and mountain biking.
Location of Project: Coös County (NH-02)
Grant Amount: \$225,298
Total Project Amount: \$281,622

Awarded to: Presidential Range Riders Snowmobile Club
Project: Purchase of a trail groomer and mogul master drag to maintain/increase tourism in the greater Berlin/Gorham area connecting to Maine trails.
Location of Project: Coös County (NH-02)
Grant Amount: \$241,967
Total Project Amount: \$302,459

Awarded to: Tri-Town Bike Friendly Community Initiative
Project: Establish a comprehensive, year-round, diverse bicycling destination. Project will provide save, accessible cycling, increase number of visitors and enhance economic opportunities for area businesses. This project incorporates 3 existing trail systems: Littleton, Franconia, Bethlehem, Profile Safe Routes to School trails and safe road and gravel routes.
Location of Project: Coös and Grafton Counties (NH-02)
Grant Amount: \$349,243
Total Project Amount: \$1,011,982

Awarded to: Northern Forest Center
Project: Strategic Mountain Bike Trail Development in growing network of destination mountain bike trails and will expand the trail networks in NH. Through the JFC's Bike Borderland program, trail development will increase visitation, making towns more attractive to workforce, and benefiting local businesses.
Location of Project: Coös and Grafton Counties (NH-02)
Grant Amount: \$119,395
Total Project Amount: \$535,000

Awarded to: Town of Haverhill
Project: Support of town formed broadband committee to focus on delivering last-mile services through Haverhill. Haverhill is the convergence of several of the county "loops" that would create redundancy for end users in Haverhill and throughout Grafton County. This infrastructure will improve telecommunications giving the Town more opportunities to start-up and grow, as well as support and retain remote workers.

Location of Project: Grafton County (NH-02)
Grant Amount: \$1,000,000
Total Project Amount: \$5,000,000

Awarded to: Town of Newport
Project: Establish an additional water supply well in the northern portion of Town to increase the water system's supply capacity, resiliency, and security. The increased water system resiliency will provide the Town with added confidence that its existing water customers will maintain the level of service provided by the water system while supporting economic growth.

Location of Project: Sullivan County (NH-02)
Grant Amount: \$250,000
Total Project Amount: \$3,500,000

Awarded to: County of Cheshire
Project: Purchase and installation of radio system equipment and installation of repeater sites. This will allow equipment status monitoring, problem detection alerting, remote diagnostic capabilities and control, and uninterrupted backup power systems. This side area digital network radio system for first responders' primary use will have clear and seamless quality, widespread radio coverage, and continuity of communications and operations, enhanced securing and reduced environmental vulnerabilities at remote sites.

Location of Project: Cheshire County (NH-02)
Grant Amount: \$875,000
Total Project Amount: \$2,517,032

Awarded to: North Country Community Radio
Project: Expand the recording capacity of NCCR by upgrading and expanding the existing recording studio. The addition will include a control room and a recording room. The equipment to be purchased will be used to increase programming outside the studio, allowing NCCR to become more sustainable.

Location of Project: Grafton County (NH-02)
Grant Amount: \$244,412.50
Total Project Amount: \$488,825

Awarded to: The Park Theatre
Project: This project funding will assist with the purchase and installation of stage sound, rigging and lighting to support live productions in the Theatre's 333-seat William David Eppes Auditorium. The events held at this downtown venue attract visitors and residents for performances as well as dining and shopping activities.
Location of Project: Cheshire County (NH-02)
Grant Amount: \$304,000
Total Project Amount: \$608,000

Awarded to: Town of Campton
Project: Installation of digital radio repeater equipment and antenna and purchase/installation of new mobile radios for police, fire, highway department, including necessary FCC licensing.
Location of Project: Grafton County (NH-02)
Grant Amount: \$71,590
Total Project Amount: \$143,182

Awarded to: Taproot Farm & Environmental Education Center
Project: Construction of new 3,000 sq ft Environmental Education Center on a 16-acre property in Jefferson in order to retain and create jobs, expand programs, and provide on-going and new services in education, food access, and agriculture that will make the region more economically viable and attractive to residences. Programming will include farm apprenticeship/incubator, environmental education internship, and teacher training p[rograms along with nature/agriculture-based camps, afterschool programs, programs for homeschoolers and partner schools, and a semester/gap-year program for high school and college students.
Location of Project: Coös County (NH-02)
Grant Amount: \$280,000
Total Project Amount: \$900,000

Awarded to: Twin State Maker Spaces
Project: Claremont Maker Spaces (CMS) Workforce and Business Development program will add a key component to efforts in Sullivan County to develop the regional workforce and economy. CMS provides the opportunity for entrepreneurs to launch a business with low overhead, for people whose careers were disrupted by COVID to retain, for works to up-skill in pursuit of higher-paying roles, and for people who were formerly incarcerated or who are in recovery to gain vital employability and technical skills.
Location of Project: Sullivan County (NH-02)
Grant Amount: \$349,989.25
Total Project Amount: \$438,272.74

Awarded to: Town of Woodstock
Project: Upgrade existing municipal wastewater infrastructure on Route 112 to accommodate anticipated developments and future growth. This project will increase the pumping capacity of their wastewater pump station system to accommodate the development of 30-units of workforce housing and an additional 60-units at full buildout. In addition, it will allow for the expansion of Ice Castles-NH beyond the winter season allowing for increased economic activity, job retention and growth.

Location of Project: Grafton County (NH-02)
Grant Amount: \$242,500
Total Project Amount: \$505,825

Awarded to: Town of Swanzey
Project: Design and reconstruction of .65 miles of roads, replace and construct 2,400 linear feet of sidewalk, extend 450 linear feet of sewer and construct 2,050 linear feet of closed draining improvements to North Winchester Street and California Street in the Village of West Swanzey. These two streets are important "gateways" from Route 10 and provide access to the historic commercial core of the village.

Location of Project: Cheshire County (NH-02)
Grant Amount: \$306,254.25
Total Project Amount: \$2,020,000
