Waiver Information

Is the applicant and/or co-applicant a prior NBRC award recipient who has *not* expended 75% of project funds? If yes, a 75% Expenditure Waiver may be required. For additional waiver requirements refer to the Program User Manual.
Is a 75% Expenditure Waiver may required?

Please list all current NBRC awards utilizing the NBRC project number

Please refer to the NBRC's Distress Criteria to determine the designated level of distress per the project's location. If the project is located in an Attainment County and *not* located in an Isolated Area of Distress a significant benefit waiver is required to be submitted with a pre-application. If an applicant or co-applicant

is located outside of the NBRC service area in a member state with projects that could bring significant economic benefits to distressed or transitional counties a significant benefit waiver is required to be submitted with a pre-application. For additional waiver requirements refer to the Program User Manual.
Is a Significant Benefit Waiver required for this project?

Catalyst program applicants are required to utilize a Local Development District (LDD) for grant administration unless they are a department of State government or receive an approved LDD waiver.
