

# FOREST ECONOMY

NBRC grant program designed to support state-identified development plans for the regional forest economy and to assist in the industry's evolution to include new technologies and viable business models.

**Public Infrastructure**

**Workforce  
Development**

**Community  
Development**

**Business Planning  
& T.A.**

**AWARD ELIGIBILITY UP TO \$1MM**

**20% to  
50%  
match**

## Investment Priorities

- ME, NH, NY, VT state level priorities
- Marketing/communication and education work (when paired with another project category)
- Technologies that create and grow new markets for low-grade forest harvest residuals
- Projects that increase job placement across the forest product continuum
- Diversification of Northern Border Forest products and advanced materials manufacturing

## Eligible Applicants

- State and Local Governments
- Career Technical Centers & Universities
- Other Political Subdivisions
- Non-Profit Entities
- Federally Recognized Indian Tribes
